

B. DRAWINGS

Substitute formal drawings are submitted herewith. The drawings will be submitted separately to the Official Draftsman upon approval of the Examiner in this case.

Figure 4 is amended to label elements 150, 152, 154, an "OR" logic element and "Target Vector B" to be consistent with the specification as filed. Fig. 4(cont) is corrected to label element 25, to correctly draw a line between element 184 and the signal line labeled 190, and to correctly label "Resource vector D" so as to correspond to the description in the specification. Fig. 5 is amended to correctly label elements 28 and 30 to be consistent with the specification. No new matter is added by these corrections to the drawings.
